**SUMMARY OF TELEPHONE INTERVIEW HELD SEPTEMBER 21, 2007  
PURSUANT TO 37 C.F.R. 1.133**

This is a summary of the telephonic interview held between Applicants' attorney (Marc E. Brown) and Examiner Michael J. Fisher on September 21, 2007.

Applicants thank the Examiner for the time that the Examiner spent during the interview with Applicants' attorney, Marc E. Brown on September 21, 2007.

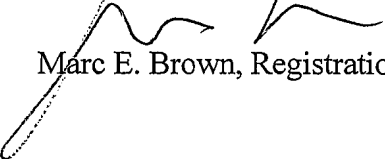

During this interview, Claims 1, 23 and 10 were discussed in light of Grosser ('552) and Chislenko ('311). Mention was also made of other claims that were similar to these.

Following this discussion, the Examiner advised that he would study the matter further, that he might conduct an additional search, and that he definitely would issue a further Office Action, either allowing one or more of these claims or providing more detail (and possibly citations to new prior art) in support of their rejection.

No.: 10/054,106

In response, Mr. Brown advised that Applicants would file a Notice of Appeal to prevent the application from going abandoned while waiting for the new Office Action.

Respectfully submitted,  
MCDERMOTT WILL & EMERY LLP
